PETITIONING THE COURT

To issue a warrant and incorporate the violations contained in this petition with the violations previously reported to the Court on 11/08/2016.

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

7

Mandatory Condition # 2: The defendant shall not commit another Federal, state, or local crime.

Supporting Evidence: On January 4, 2017, an officer with the Pasco Police Department observed a vehicle slide through an intersection and fail to stop. Contact was made with the driver and through a records check found the driver had a no-contact order against the defendant. After reviewing a photo of the defendant, it was determined he was the passenger in the vehicle. The defendant was taken into custody and transported to the Franklin County Jail in Pasco. The defendant was cited under report number 17-00395 for violating a domestic violence no contact order.

8

Special Condition # 14: The defendant shall complete a mental health evaluation and follow any treatment recommendations of the evaluating professional which do not require forced or psychotropic medication and/or inpatient confinement, absent further order of the Court. The defendant shall allow reciprocal release of information between the supervising officer and treatment provider. The defendant shall contribute to the cost of treatment according to his ability to pay.

Supporting Evidence: On December 21, 2016, information was obtained from the defendant's mental health counselor noting he had missed his last four treatment sessions. The defendant had called on December 21, 2016, and noted he had medical issues with his knee and would not be able to attend.

On December 21, 2016, contact was attempted at the defendant's listed address to check on his medical issue which had been noted to the treatment provider. The defendant's family related he had just left to go out to dinner with a friend. As the defendant had continued to fail to report for treatment services, he was removed.

I declare under penalty of perjury that the foregoing is true and correct.
